This Attestation is granted on account of an examination by DEKRA, the results of which are laid down in a test file / test report no 4952493.50/51/52/53/54/55+4952492.50.

This Attestation implies that the examined types are in accordance with the standards designated under the Radio Equipment Directive (RED) 2014/53/EU.

The examination has been carried out on one single specimen or several specimens of the product, submitted by the manufacturer. The Attestation does not include an assessment of the manufacturer's production. Conformity of this production with the specimen tested by DEKRA is not the responsibility of DEKRA.

This document does not authorize the use of any DEKRA approved mark.
