

## K2 System 2004112 Technical Datasheet

|                                   |                                                            |
|-----------------------------------|------------------------------------------------------------|
| Manufacturer:                     | K2 Systems                                                 |
| Designation:                      | Self-drilling wood construction screw with flat head 8x100 |
| Type:                             | 2004112                                                    |
| Material:                         | stainless steel                                            |
| Surface protection:               | untreated                                                  |
| Surface treatment:                | coated                                                     |
| Color:                            | steel                                                      |
| Hardened:                         | yes                                                        |
| With non-stick coating:           | yes                                                        |
| Countersunk head:                 | no                                                         |
| With washer and sealing ring:     | no                                                         |
| With milling ribs under the head: | no                                                         |
| Head drilling:                    | no                                                         |
| Screw system:                     | hexagon socket TX                                          |
| Bit size:                         | 40                                                         |
| Head diameter:                    | 18 mm                                                      |
| Shaft diameter:                   | 8 mm                                                       |
| Thread diameter:                  | 8 mm                                                       |
| Thread length:                    | 94 mm                                                      |
| Length:                           | 100 mm                                                     |
| Thread type:                      | coarse                                                     |
| Thread distribution:              | full thread                                                |
| Combination thread:               | yes                                                        |
| With shaft ribs:                  | yes                                                        |
| Tip with milling ribs:            | yes                                                        |
| Tip shape:                        | self-tapping                                               |
| With drill tip:                   | yes                                                        |
| Strip magazine packaging:         | no                                                         |
